STEP 1. Brush the hair up into an offset ponytail on the right side of the front hairline.

STEP 2. Spray with **Work It Hairspray** and fasten with an elastic ensuring the hair is nice and tight.

STEP 3. Section the ponytail into three and braid loosely, fastening the ends with a clear elastic.

STEP 4. Create the halo shape by twisting the braid all the way around the front of the head and pin in place.

STEP 5. Finish with **Camera Ready** for extra shine.
